All coaches must obtain their level 'O' Grade to coach. HDNA runs a Level 'O' Coaching Clinic. See Clare Ashpole for extra details.

Girls wishing to umpire need to be at least 13 years by the end of December 2009. Parents of younger girls (especially mothers who take part in Night Comp) are also needed to umpire. These duties are usually organised so that you umpire before or after you're own or your daughter's match. Coaching will be available for umpires. They will be given appropriate insurance forms that must be signed by a Hills official on the day. Any injured player requiring an ambulance but without Ambulance Insurance Cover must inform HDNA prior to the ambulance being called so appropriate cover can be arranged.

One representative from each team **MUST** attend each meeting. Often this is the manager of the team however it is every teammember's responsibility to ensure someone from the team is present at every meeting. Meetings are held on the third Monday of every month from March to September
