## PRESIDENT'S REPORT

It has been some time since we had to experience muddy conditions and a cancellation of games on Sunday. Still there were some great games of soccer on Saturday and our Premier League came out on top in both of their games over at Ward Street.

The Under 7 Gala Day the week before was very successful (see Dave Richards wrap up below).

I was very disappointed by an incident involving an opposition coach on the weekend. His players played well, behaved well and had a commanding lead but unfortunately were let down by his behaviour when he decided to have a bit of fun at the expense of Thornleigh players. To his credit, he did apologise when approached about the matter.

I believe as a club we have the best interest of our players at heart. We have a reputation for being fair, competitive and adhere to the principles and spirit of the game. Let's ensure we don't slip into the quagmire that sometimes claims individuals from other clubs. Let's maintain the moral high ground.

Work is already underway for the end of year club dinner which will incorporate the senior presentation awards. The seafood buffet will take place at the Pennant Hills Bowling Club on August 20. We look forward to seeing the hall filled with the party faithful. Let's finish the year on a high note and enjoy this celebration - see page 2 for further information.

One last thing, our next committee meeting is 'Independence Day' or July 4 for the infidels.

Yours in commitment,

Rob Roberts

## UNDER 7 GALA DAY

*Dave Richards*

*.....Once again Thornleigh Thunder produced another super Under 7 Gala Day on June 19th. We might be a smaller soccer club compared to some, but what makes us special is the volunteers and support that makes such events possible.*

*I just want to pass on my thanks - a BIG THANK YOU - to everybody that provided assistance leading up to and on the Gala Day. Your support was very much appreciated and the feedback from the clubs and teams that participated says it all -*

*"I just wanted to pass on my thanks and appreciation of our team for the efforts and hospitality afforded to us by Thornleigh Thunder"*

*"We had a great day enjoyed by all our players and families. The day was a success allround, and we trust that your club will continue to offer such a fun day in the years to come"*

*"A quick note to thank you and your team of organisers for the gala day yesterday. It was certainly a well organised day"*

*"Thanks for organising the day it was enjoyable"*

*"I would like to thank Thornleigh soccer club for such a wonderful day. The organisation was excellent, and the boys thought playing game after game of their favourite sport was just the bees knees. There should be more Gala days"*

*Once again, thanks for all of you that helped make the day a success and take a bow.*

*Cheers.....DAVID*

U6 EMUS

THORNLEIGH 0 vs NORTH EPPING 4

Well we drew the first half but lost the second. The Emus fought very hard all game but when Epping's goal keeper came onto the field for the second half he let us have it. SAMUAL KALNINS and NATHAN POLLOCK worked well back in their goal mouth protecting their goals. This was where our two goalies CHRIS WATT and RYAN CLARKE obviously did extremely well defending and making some great saves and some great clearing kicks. LACHLAN HARRIS and JOSH NATOLI were as usual always on the ball badgering the opponent and making some great breaks. JOSH REIDY played a great game in the mid field pushing some great balls through to attack. The "MAN OF THE MATCH" was presented to REUBEN SPARGO who put in 100% for the whole game with some great play. Well done EMUS.

U6 MAGPIES

THORNLEIGH 2 vs WEST PENNANT HILLS 5

Despite the somewhat lopsided scoreline, this was actually a close and exciting game, with West Penno scoring 3 goals in the last few minutes. All in all, it was an excellent effort by the Magpies, who played with only 5 players for most of the game. Playing with the extra player, West Penno had much of the attack in the first half and scored the first two goals, but the Magpies defence was playing well with JULIA MOKDSI having an excellent game in defence, RORY MADDEN calm in goals, and TOM KENNEDY doing a tonne of work in defence, stopping many goals. Meanwhile, MARCUS and WILLIAM GRANT were trying hard and doing lots of running, and just before half time Tom managed to score a goal after some strong support from JULIA. In the second half, RORY game out of goals and bolstered the defence, with WILLIAM and MARCUS sharing the goalkeeping duties. When TOM managed a second goal and LACHLAN JONES arrived at the ground (fresh off the plane after a three week trial with Arsenal), a miracle draw beckoned. But it was not to be. The rigours of playing without substitutes began to tell, notwithstanding the punishing training routines of the previous week (it is never too young to start the kiddies on the half marathon), and West Penno managed to slot in 3 late goals as the rain began to fall, masking the tears of disappointment of the Magpies hardy band of supporters (and players).

U6 PLATYPUS

THORNLEIGH 1 vs WEST PENNANT HILLS - ??? (Loss to Thornleigh)

This week the Thornleigh Thunder, and their faithful cheer squad, had their first real wet weather game, with steady rain falling throughout the match. ROBERT BRADLEY, first half goalie, bravely saved an early attack from the opposition. The ball hit him in the face with full force. A bleeding nose and gums meant he had to go off for the rest of the game. DOMINIC MANNELL ran strongly all match and showed great skill in defence of tough opposition. JOSHUA DE SILVA continually pressured the opposition defence, finally being rewarded with our only goal. DANIEL MERRICK showed great footwork throughout the match chasing the ball all over the park. WILLEM OATES took over goal keeping duties late in the first half, saving many certain goals and putting our attack into clear space with long, accurate goal kicks. LACHLAN DAWES was again fancy in the mid field and also did some good clearing kicks. CODY JERVIS was awarded The Player of the Match. Well-deserved for commitment in attack and defence throughout the match. The Mighty Monotremes may not be mud larks but they will be back next week ready to do their best.

U7 EMUS

THORNLEIGH 0 vs SAINTS UNITED 2

Well the scoreboard may have shown a 2- nil victory to Saints but with a little more luck the result could very easily have been a victory to Emus. Several long runs down the ground by TESSA GIBBONS and MARK NEWLAND were either saved by some brilliant work by the Saints Goal keeper or the shots just missed the net. Both players were unlucky not to score. At the other end of the ground the Player of the Match AIDAN LANE was again outstanding and saved sure goals time after time. JACK NAYLOR defended well and combined with SEAN NOTLEY Rumbens their long clearing kicks bought back memories of that other code . LIAM KIRK again ran himself into the ground and never gave up trying. RHIANNA MALONE battled on well with her defence tactics at each throw in a feature. All in all the players are combining well and special thanks should go to their coach Simon Newland who is concentrating on developing skills and teamwork.

THORNLEIGH 3 v KENTHURST 2

With last weekend's 7 games to this weeks 1, one would think there was going to be a bit of a anticlimax. Not to be. The 8.30 am start at Kenthurst caught us short but BYRON CLEASBY scored quickly to put us in front. That was a great thrill. Kenthurst scored a couple of times and at 2-1 our last players arrived to boast the numbers. We saw some good runs and tackles by CALLUM GIFFNEY and HARRISON FLACK, a breakaway by HAYDEN TODOROSKI, some big kicks by JACOB CLARK and a good goal by BEN HAYWARD to match up the scores. Then in the final minutes, what was probably one of the thrills of the day, young ALEX BORG broke away with the entire Kenthurst team chasing him towards goal. He measured his strike on the run carefully and at the last possible second struck the ball into the back of the net sending the team and parents into wild scenes of cheer. It was a great match winner. Great games guys. Next week we are at Oakleigh 10am and photos after too. (10.45am)

U8 RED

THORNLEIGH 5 vs GLADESVILLE SHARKS 0

The game started out with a fairly equal contest that continued till the first half. Within minutes of the second half THORNLEIGH scored their first goal and from that point it was a one sided game. Every player wanted to score and the SHARKS lost their form and couldn't hold back the barrage of attacks that THORNLEIGH mounted against them. The boys played a positional game and used the width of the park in almost every goal. Within a 3 minute period three goals were scored. This was followed with another two goals in the remaining time. Whilst the rain stopped and started it didn't dampen the team's spirit. The Player of the Match was NATHAN BIRREL who had a solid game in goals and also an active game in attack to even score THORNLEIGH'S 4th goal. SAM and ANGUS both scored two goals each to make the 5 goal tally. Some other solid performances were from BEN SEPAROVICH in the centre, CALLUM , and DAN in defence to close down the opposition's attacks in a no-fuss manner. The irony of the game is that the THUNDERS had a feeding frenzy on the SHARKS. Well done team.

THORNLEIGH ? vs SAINTS UNITED SOCCER CLUB ?

Our team worked well on the field this week and every player had a shot at goal, cutting through the opposing team as if they weren't there –which, in fact, they weren't. As one of our supporters remarked, it was perfect conditions for a game – sunny skies, and no opposition. Our Man of the Match award had to go to the “Best Coach in the World”, PAUL PATTERSON, who organised an impromptu training session while the parents contemplated the joys of the scenic drive back from Kenthurst.

U9/2

THORNLEIGH 1 vs SAINTS UNITED 0

Close your eyes and picture the scene. It is a cold wet morning. The boys have not played on a slippery pitch for over a year. We have the bare minimum of 11 available. Both coaches are away and we are playing the top team in the division. So, raincoats and brollies at the ready, the team supporters settled in for a real struggle. But someone forgot to tell the boys they had it stacked against them. From the kick off they were all over Saints like an oil slick. They simply gave them no room to play. They were first to the ball; they were first to the tackle; they were everywhere in attack and defence. It is not possible to single out individuals this week. The whole group were simply outstanding as a team. Everyone held their positions really well. For the first time this season we had a midfield and a forward line and with numbers on the ball we created plenty of goal scoring chances. Then just before half time the ball was kicked out of the Saints penalty area straight to CAMPBELL. He saw the goalie was well off his line and gave the ball an almighty lash from about 25 meters out. Everyone watched in awe as the ball flew straight over the keeper and into the net. Well you could have heard the whoops of delight in Katoomba. Saints came back hard but the boys just fired up again and repelled all thoughts of a come back. At oranges our stand in coaches, Mike and Mal (no, not the Leylands you children of the 70s) told the team to keep going just as they were and they did just that in the second half with one shot hitting the post and a couple of other going close. At the final whistle it was three cheers for everyone, slaps on the back and reminders of how much fun it is to win every now and then. Gee I hope it rains again next week!!

U9/8

THORNLEIGH 4 vs NORMANHURST 1

U10/3

THORNLEIGH 0 vs WEST PENNANT HILLS 0

It was a brilliant start to the game which saw the forwards on the attack straight away with the best team play and passing we have seen this season. Even with being two players short the boys kept the opposition at bay right through the match and the every confident goal keeping by TIM CLAREMONT ensured the opposition didn't have a chance that end. The superb forward play by SAMUEL LANE, SAMUEL CLARKE, CAMERON SHARIFI and JOHN BAYNIE with fantastic passing almost saw us scoring off the boot of JOHN BAYNIE more than once. Of course there was the very solid mid fielders, JAMES (everywhere at once) PAEK, and OLIVER JUDSON, who kept the ball moving in the right direction. ROBERT STARREVELD and DARREN JOOSTEN saw to the defence in their usual stolid determined style. It was fantastic to see the boys pull out some brilliant passes from the hat which contributed to an exciting match. Well done boys!

U10/7

PENNANT HILLS 5 vs THORNLEIGH 1

All the team tried hard but we were no match for the undefeated minor premiers. Once again daniel christie had another big game in goals for us, saving many shots with some great goal keeping and putting us into attacking position with his long goal kick returns. In the backs DALE EDWARDS , FERGUS BARRY-CORDEROY & JOSHUA COOPER had plenty of work to do in defence. They all combined well and did a great job on many occasions of tackling the opposition and winning the ball with some good enthusiastic defence. KATHERINE MEIKLE, had a roving role in our mid field and helping out with our defence, she covered her roving role well. LINDSAY HANDS was in our midfield as well and had the opposition guessing. Our only goal was the result of some good follow up work and pressure from TRISTAN ZEID, CLAUDIA BOURIS & REBEKA FIELD ,with REBEKA rewarded by scoring her first goal of the year. Once again another big game from JONATHON MEIKLE, tackled the larger opposition with great speed & determination. Overall a great effort by our 10 players against their 11 players and 4 substitutes.

U11/5

THORNLEIGH 1 vs PUTNEY 0

Great to see the rain today, all the boys seemed to enjoy the wet and the dirt which must be the reason why we won today-first win in weeks! The game was well defended by all the backs LACHLAN DENCH, ANDREW CARDWELL AND JEREMY TOOHEY working very hard to keep the ball out of the goal. Great saves from XAVIER BOUCHER who was under a lot of pressure but continued on in his great style of saving those near goals by the opposition. NATHAN LEUNG had a great game getting the ball many times and nearly scored! HUW FISHER, ALEX CHARARA, MICHAEL COSMORE, TIM LOVE & ANDREW MEIKLE had their minds on the game and were ready to give their best shot, giving the team plenty of opportunities. Then the moment came ANTHONY FINN had control of the ball who passed to BEN PHILLIPS who passed to MICHAEL GAMBLE and in it went! What a beautiful cross and great teamwork. Well done boys a well deserved win!

U12/1

THORNLEIGH 1 vs EPPING YMCA 5

It was fairly slippery conditions at Ward Street and we did battle in the first half of the game. However, it took a goal from Connor before we really started to play soccer. The scoreline looks a little one way but we did play well and had some great opportunities to improve our score. Holding our positions and improving our passing will certainly make us much harder to beat.

U12/3

THORNLEIGH 0 vs WEST PENNANT HILLS 3

Thornleigh got off to a slow start with the ball spending plenty of time in their half. The first goal was probably inevitable. After this set back the boys showed their typical resolve and determination. NATHAN, BRADLEY, KELSEY and JORDAN came good as very capable defenders. SAAMID, MATTHEW W., JOSH, DANYON and TOM showed some great attacking skills. NICK, stuck with a tough job as goalie with a wet and sticky ball to grab did an outstanding job. MATTHEW D. and SCOTT weren't slowed by the frequent showers and really stuck to their game. KEL had a number of outstanding attempts at goal. All the boys gave their best and played a good game in difficult conditions. The final score of 3- nil doesn't do justice to what was an enthusiastically played game. The reporter's choice was NATHAN and coach's players of the match were BRADLEY and TOM.

U13/2

THORNLEIGH 8 vs ROSELEA 1

The U13s were out in full force today with another absolutely convincing result. The fact that this team are destined to end the comp on top was clearly demonstrated today. The first half saw the Thunder take control of the match and thanks to a hat Rick by MATTHEW the result seemed to be a forgone conclusion. The play by the team was committed, deliberate and professional in execution and the fact that the win was almost assured did not distract the boys from their game plan and the good positional play, sensible passing continued. MATTHEW continued the offensive in the second half and amazingly scored a double hatrick of goals. A truly remarkable feat with a truly remarkable foot. Having another outstanding game was LACHLAN and JOEL with the latter contributing a goal. NICK gloved another goal to put the match beyond doubt. A well deserved scoreline but must take each week as it comes. In two weeks time all our efforts and skills will be needed. Now is not the time for complacency.

U13/5

THORNLEIGH 4 vs HOLY CROSS 2

With the programmed 8.15 start (and the rain) the team played as expected, slow on the ball and brain switched to slumber mode. Thank Christ the remaining games are at a more respectable time. But slumber mode was enough to get them over the line today, with some great defensive work from JAMES FOWLER and MICHAEL DENNETT and a hat trick of goals from JORDAN SANT who with his (3/4 slumber) speed was able to get behind the Holy Cross defenders. BRENDAN MEW was once again threatening in the front line. The win today consolidated the team's position near the top of the table and so the remaining weeks will be used to prepare for the semi finals. Special mention needs to go to JOHN CHRISTIE who found the back of the net to score the first goal of the day, a well deserved goal after showing some grit and determination. ALEX HOUSE once again played a consolidating role in the mid field and clearly was able to control the middle of the park and regularly fed the ball to the forwards. With our regular goalie off sick thanks need to go to ALEX GRANT and PETER CHRISTIE who both must be looking to oust (?) our regular goalie by playing well in goals, Oops.

U14/3

THORNLEIGH 0 vs WEST PENNANT HILLS 11

It was a disappointing result in the muddy, wet conditions at North Ryde. We tried our best but we were missing the momentum to really pressure our opposition. None-the-less I am proud the way the team continued to 'have a go'. Two more games to go, let's make them good ones.

U15/1

THORNLEIGH 0 vs ROSELEA 1

Wet weather means anything can happen. Fourteen Thunder players outplayed by ten motivated Roselea players, who thoroughly deserved their win against us. Roselea grafted out the first twenty and waited until our defence relaxed, then took advantage of a mistake to score a good goal. They then closed ranks and played defensive wet weather football for the rest of the game, "gutsing" out a win in the wet conditions. Our guys never stopped trying and we had many good chances in the second half, but the posts, the bar, their nine defenders and most importantly their Goalie always got in the way. Roselea were the better side on the day, because they played smarter in the conditions. Listen to the Coach next time lads!!!

AA/6 WOMEN           **THORNLEIGH 3 vs GLADESVILLE 0**

The game started off slowly but there was quite a few shots at goal before JULIA WATSON sent one in which went through the goalies hands 20 minutes into the game. 10 minutes later another went in from JULIA via a nice through ball from LAURA FRAKES. Second half was a bit slower and it wasn't until the 38th minute that we scored again with JACKIE CUNNINGHAM getting the last goal. We were unlucky to get a goal earlier in the half when a defender from GLADESVILLE thought she was goalie and scooped the ball out from the goal mouth. Great work from all players: ANNA, KATE, LEE, JACKIE, ADELAIDE, ANGELA, RHIAN, LAURA, JO, MEL, AMANDA, JENNIFER, JULIA, GEMMA & LIZ.

AA/7                    **WASHED OUT**

AA/15                  **THORNLEIGH 1 vs GLADESVILLE SHARKS 4**

This was an entertaining game of Soccer and was much closer than the scoreline suggests, our squad was again boosted by players from the 17/2 team who had a bye, and to see 17 Thunder players warming up was a sight to behold (and one we will possibly never see again this season) and had the huge crowd at Oakleigh chomping at the bit for the game to start (with so many players on the park it was only natural that we had good support on the sidelines). We started the game a little slow and the opposition took advantage of us and we let in our now famous 2 or 3 soft opening goals (our team love to come from behind) the team, then settled down and played some really good soccer passing the ball around and having some decent shots at the Sharks goal mouth. During the game the amount of reserves to be rotated kept Manager Rob busy and to see the entire mid field changed over in one hit was worth the admission price. (to hear the call Ref sub, midfield off kept the crowd entertained all day) We came out in the second half full of fight and pressured the Gladesville line constantly and were awarded with a penalty that was slotted home beautifully by JOSH. Well played boys, even though this team has yet to record a win this season, they keep turning up week after week and give it their best shot in true Thunder tradition. In goals BARNABY had a strong game while the backs ANGUS, CARL, MATT, LIAM, and TOM played well. In the Mid field LEIGH, CHRIS, JACK, JAMES, ROSS, REECE, JOHN, TIM and LOUIS had great games, and up front JOSH and KARTHICK pressured the Sharks defence. A big thanks again to the 17/2 squad for lending us players (apologies for last week naming you as 17/4) TOM KRISANTHAL, CHRIS BROWN, LOUIS REDFERN, LIAM RAYNER, and JACK PACKHAM we really appreciate your support.

Thunder were out to avenge their first round loss to Epping. Thunder started well and were unlucky not to score first when a shot from BEN "Benny and his Jet" SMITHERS sliced off his boot or was it the divot in the ground, that sent the ball skyward. Ben was at it again 5 minutes later with a shot that was saved by their keeper. Then against the run of play Epping scored when a shot somehow found its way under the body of our keeper, JAMES "JIMMY" RUSHTON. One goal down at half time was the inspiration for Thunder to lift in the second half. MATTHEW FITZGERALD, playing in his come back game, inspired the team with a header that just went over the cross bar and moments later with a through ball that LINTON INSTED buried into the back of Epping's net. MATTHEW "come fly with me" JACK with all the time in the world scored Thunder's second goal with a perfectly taken shot from the edge of the box. Thunder sealed victory with a second goal from LINTON INSTED late in the second half. Best & Fairest points went to: MATTHEW BARBER 3 points, LINTON INSTED 2 points and MATTHEW FITZGERALD 1 point.

PL1/1sts               **THORNLEIGH 2 vs EPPING YMCA 0**

JASON HOWELL was selected in the starting line up following the late withdrawal of MARK HOLLIDAY. Players from both teams struggled to string together passes in the muddy conditions. Thunder scored the first goal from a well taken cross from DAMIEN SUPLINA that was headed in by captain AVAN YOUNG. At the other end Epping mounted a number of attacking raids but were kept at bay by keeper DAVID BALL. In the second half Thunder clicked into gear and played some of their best soccer of the season. Thunder had numerous chances to score in the second half but were denied by the bounce of the ball and the skill of Epping's keeper. Thunder's continuing pressure was finally rewarded when a corner from DAMIEN was headed into the back of the net by STEPHEN LANSLEY. Best & Fairest points went to: LUKE DAWSON 3 points, who was the standout player in the defensive line, STEPHEN LANSLEY 2 points, and RYAN ROFF 1 point. Next week Thunder takes on North Epping Rangers at North Epping Oval. U9/2
